Example University Student Handbook

A fictional sample document for testing.

Welcome

Welcome to the university. This handbook explains what you need to know in your first year.

Please read it carefully and keep it for reference during your studies.

Enrolment

You must complete your enrolment online no later than 14 February 2027.

Students who enrol late may not be able to choose their preferred classes.

If you need assistance with enrolment, contact Student Central on 08 8946 0000 or at studentcentral@example.edu.

Attendance

Students must attend classes and tutorials for every unit in which they are enrolled.

If you miss more than three tutorials without a reason, your lecturer may contact you.

Lectures are recorded, but recordings are not a replacement for attending tutorials.

Assessment

Each unit has at least two assessment tasks, which are listed in the unit outline.

Assignments are required to be submitted through the learning portal by 11:59 pm on the due date.

Late assignments lose 5% of the available marks for each day they are late.

You may apply for an extension prior to the due date if you are ill or have a family emergency.

Examinations

The examination starts tomorrow at 9:00 am in the Main Hall.

The final examination period commences on 2 June 2027 and ends on 13 June 2027.

Bring your student card to every examination; you cannot enter the room without it.

Mobile phones are not permitted in the examination room.

Fees

Your tuition fees are due on 31 March 2027.

If you cannot pay your fees by the due date, please contact the fees office to discuss a payment plan.

Support

The accessibility service can arrange Auslan interpreters, live captioning and note-takers.

To obtain these services, register with the accessibility service at least two weeks before classes begin.

Free counselling is available to all students; appointments can be booked online.
